

GRANGEGORMAN ABC NEWS

Early Years Service

Early years services will be getting the much-needed STEM resources this month, in order to help them better support children's learning and development.

This initiative has been led by Eimear Griffin, who has sadly stepped down from the Grangegorman ABC Steering Group as Early Years Representative on 16th June, as she took up a new role. We thank Eimear, who has worked for a number of Consortium Members, most recently as the Early Years Manager in Daughter of Charity Community Services, for all her hard work within Grangegorman ABC and Early Years Services.

Parent Child Plus

ParentChild+ has spaces for new families to start the programme in September. If you know of any families that would benefit from a trained Home Visitors meeting with them twice a week, to model positive interactions through play with the use of educational books and toys that are free to the families, send on your referral to us.

Please contact the Coordinator Sarah to answer any questions you may have. You can contact **Sarah on 085-8204063/01-887-4103, email: skearney@doccs.ie**

Budget 2024

We launched the Budget 2024 at our Consortium meeting in June. Applications for funding can be submitted from now till September. There will be information sessions throughout the Summer.

If you would like more information or a proposal form, please contact us on abc@tudublin.ie

If you could like to contact us you can email abc@tudublin.ie

Wishing all members a lovely Summer break.
