STEPPING UP TRANSITION PROGRAMME

Welcome to St. Gabriel's National School

Welcome to St. Gabriel's National School

**In September I will start
Junior Infants in my new
Primary school, this is
what the school will look
like.**

Welcome

**I might feel nervous starting in a new school,
if I am worried I can ask for help,
there will be lots of grown ups to help me.
The principal, my teacher and lots of helpers.**

What will I wear?

Every day, I wear a navy skirt or navy trousers. I also wear a blue shirt.

On top, I wear a navy jumper or a navy cardigan. My jumper or cardigan has the school crest on it.

On P.E. days, I wear my school tracksuit from Grants.

My tracksuit is navy. The bottoms have a blue stripe on the leg. The jumper has the school crest on it.

Wearing my uniform helps me know I am ready for school.

Getting ready

**When I go to school, I will bring my school bag
and my lunch box**

My School Day

**Some things will be the same as preschool,
and some things in primary school will be different.
This is okay.**

My School Day

**In the morning
I will hang my coat here.**

My new classroom

**This will be my new
classroom.
There will be lots of new
things to play with and
explore.**

My School Day

I will have my lunch here. I might bring my own lunch to school or school might give me new and exciting foods to try for my lunch.

I will be able to choose my lunch from a menu. My packed lunch is then delivered to school with my name on it each morning.

Toilets

**When I need to use the toilet, this is
where I will go**

Playtime

**This is the schoolyard; I will play outside here with my
new friends.**

A teacher will always be there to help me if I need.

The School

**This is the school hall,
I will come here for PE/assembly.**

Learning new things

**This is the Junior Library where I
can borrow books to read at home.**

**I will learn lots of new things in school,
some things will feel hard, and some
things will feel easy. This is ok.
Starting primary school will be an
exciting adventure.**
