

Welcome to St Paul's Primary School

Welcome to St Paul's Primary School

**In September I will start
Junior Infants in my new
Primary school, this is
what the school will look
like.**

Welcome

**Principal
Ms Coghlan**

**Secretary
Julie**

**I might feel nervous starting in a new school,
if I am worried I can ask for help,
there will be lots of grown ups to help me.
The principal, my teacher and lots of helpers.**

What will I wear?

**This is what I will wear to school
Everyone will wear a navy
tracksuit with a yellow or white
polo t-shirt. It is very comfortable
to wear.**

Getting ready

When I go to school, I will bring my school bag, my lunch box and a drink bottle with water.
We get lunch in school so some people don't bring a lunch box.

My School Day

**Some things will be the same as preschool, and some things in
primary school will be different.
This is okay.**

My School Day

In the morning I will hang my coat here.

My new classroom

**This will be my new
classroom.
There will be lots of new
things to play with and
explore.**

My School Day

**I will have my lunch here. I
might bring my own lunch to
school or school might give me
new and exciting foods to try
for my lunch.**

**Children in St Pauls get a hot
lunch and some snacks every
day. The children eat their
lunch at the table.**

Toilets

**When I need to use the toilet, this is
where I will go**

Playtime

This is the schoolyard; I will play outside here with my new friends.

A teacher will always be there to help me if I need.

The School

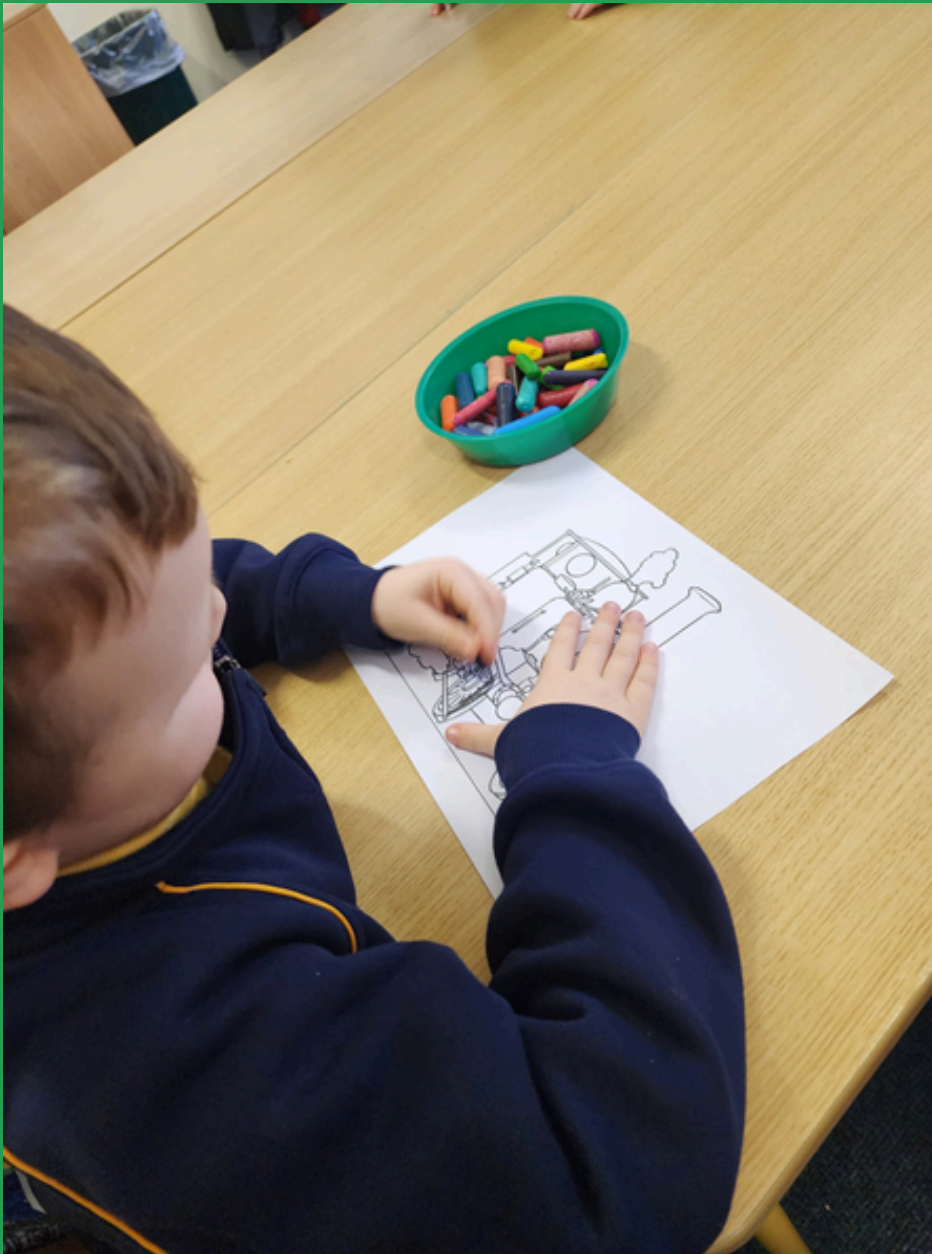

**Inside the door of the school and the door to Julie's office,
who is the secretary
the sensory room**

**This is the school hall, I will come here for
PE/assembly.**

Learning new things

**I will learn lots of new things in school,
some things will feel hard, and some
things will feel easy. This is ok.
Starting primary school will be an
exciting adventure.**
