

Welcome to Paradise Place ETNS

Welcome to Paradise Place ETNS

**In September I will start
Junior Infants in my new
Primary school, this is
what the school will look
like.**

Welcome

**I might feel nervous starting in a new school,
if I am worried I can ask for help,
there will be lots of grown ups to help me.
The principal, my teacher and lots of helpers.**

What will I wear?

**I can wear whatever I like to
school.
Comfortable clothes that I can
run and play in are best.**

Getting ready

**When I go to school, I will bring my school bag.
My teacher has everything that I need in school.
My teacher will give me crayons and books**

My School Day

**Some things will be the same as preschool, and some things in
primary school will be different.
This is okay.**

My School Day

In the morning I will go into my classroom and my teacher will say hello to me. My teacher will have lots of fun activities for me to do.

My new classroom

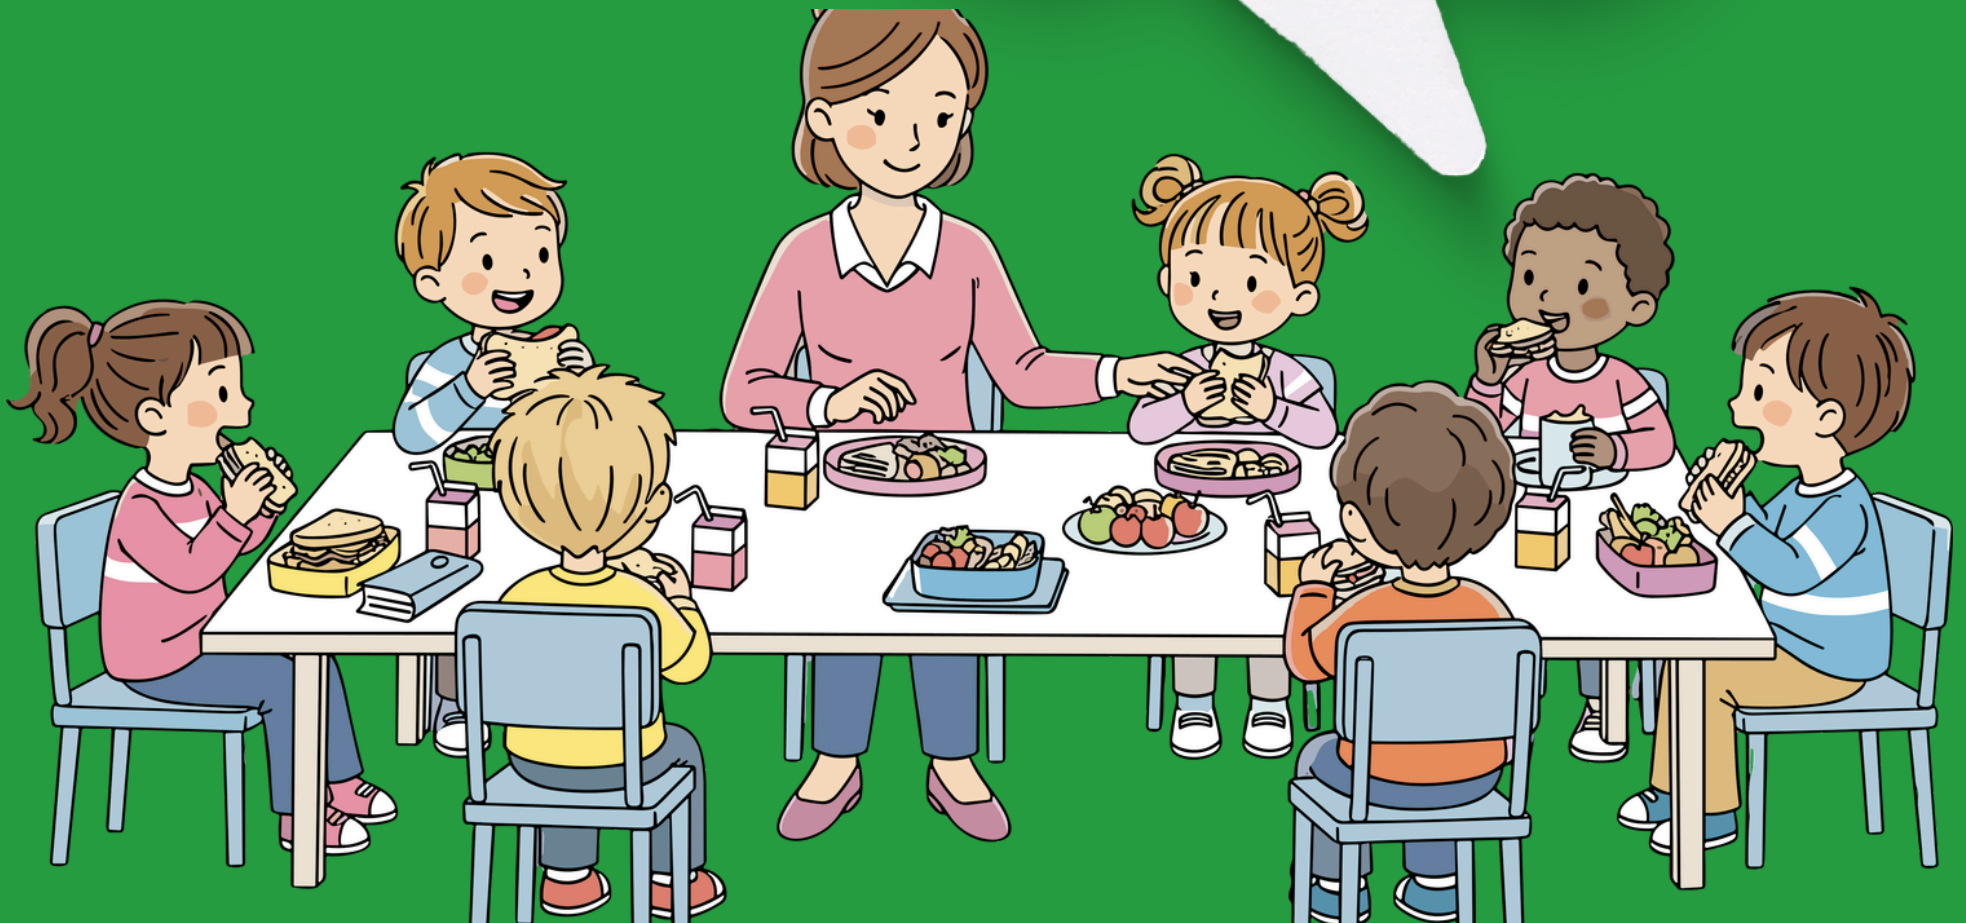

**This will be my new
classroom.
There will be lots of new
things to play with and
explore.**

My School Day

**I eat at my table in my
classroom. I get a bag with my
name on it. I eat a hot lunch
before I go out to play. I
choose the foods that I like.**

Toilets

**When I need to use the toilet, this is
where I will go. I can close the door.
I wash my hands afterwards.**

Playtime

This is the schoolyard; I will play outside here with my new friends.

A teacher will always be there to help me if I need.

The School

**This is the school hall, I will come here for PE.
I will play games here and have lots of fun.**

Learning new things

**I go to the library to listen to a story
or to read books with my friends.**

**I will learn lots of new things in
school, some things will feel hard and
some things will feel easy, this is ok.
Starting primary school will be an
exciting adventure.**
